| <b>INTRODUCTION</b> .....                              | 1-1  |
| Authority of the General Plan.....                     | 1-1  |
| History of the City .....                              | 1-2  |
| Scope and Content of the General Plan .....            | 1-2  |
| Organization of General Plan .....                     | 1-3  |
| Format of General Plan Elements.....                   | 1-4  |
| Overview of the City of La Habra Heights.....          | 1-5  |
| The City's Vision for the 21st Century .....           | 1-5  |
| <b>LAND USE ELEMENT</b> .....                          | 2-1  |
| Introduction .....                                     | 2-1  |
| Issues and Policies .....                              | 2-1  |
| Land Use Plan .....                                    | 2-10 |
| <b>ENVIRONMENTAL RESOURCE MANAGEMENT ELEMENT</b> ..... | 3-1  |
| Introduction.....                                      | 3-1  |
| Issues and Policies .....                              | 3-2  |
| Resource Management Plan .....                         | 3-8  |
| <b>CIRCULATION ELEMENT</b> .....                       | 4-1  |
| Introduction.....                                      | 4-1  |
| Issues and Policies .....                              | 4-1  |
| Circulation Plan .....                                 | 4-10 |
| <b>SAFETY ELEMENT</b> .....                            | 5-1  |
| Introduction.....                                      | 5-1  |
| Issues and Policies .....                              | 5-1  |
| Safety Plan.....                                       | 5-8  |
| <b>NOISE ELEMENT</b> .....                             | 6-1  |
| Introduction .....                                     | 6-1  |
| Issues and Policies .....                              | 6-1  |
| Noise Mitigation Plan .....                            | 6-3  |
| <b>AIR QUALITY</b> .....                               | 7-1  |
| Introduction.....                                      | 7-1  |
| Issues and Policies .....                              | 7-1  |
| Air Quality Plan .....                                 | 7-3  |
| <b>IMPLEMENTATION PROGRAM</b> .....                    | 8-1  |

Introduction to the Implementation Program ..... 8-1  
Format and Use of this Implementation Program..... 8-2  
Implementation Programs for the City of La Habra Heights General Plan..... 8-5  
Adopt the City Park and Fire Department Program..... 8-7  
Brush Clearance and Fire Abatement Program ..... 8-9  
Building Code Review Program ..... 8-11  
Capital Improvement Program..... 8-13  
Code Compliance Program ..... 8-15  
Community Safety Outreach Program..... 8-17  
Comprehensive Development Review Program ..... 8-19  
Cultural/Historic Resource and Awareness Program ..... 8-21  
Dark Sky Ordinance Program ..... 8-23  
Emergency Preparedness Program..... 8-25  
Environmental Review Program ..... 8-27  
Fire Department and Emergency Medical Needs Assessment Program ..... 8-29  
Green City Conservation Program ..... 8-31  
Hazardous Materials Safety Program ..... 8-33  
Information Database Program ..... 8-35  
Law Enforcement Safety Program ..... 8-37  
Local Clean Air Program..... 8-39  
Noise Control Program..... 8-41  
Specific Plan Program..... 8-43  
Trails Program/Trails Feasibility Study ..... 8-45  
Public Transit Review Program ..... 8-47  
Resource Protection Program ..... 8-49  
Seismic/Flood Risk Reduction and Mitigation Program ..... 8-51  
Roadway Safety Program..... 8-53  
Source Reduction and Recycling Program ..... 8-55  
Tree Preservation Program..... 8-57  
Water Conservation Program..... 8-59  
Water Quality/Flood Control Program ..... 8-61  
Zoning Ordinance Revision – General Plan Conformity..... 8-63  
Zoning Ordinance Revision – Community Character ..... 8-65  
Zoning Ordinance Revision – View Preservation..... 8-67

**TABLES INCLUDED IN THE GENERAL PLAN ELEMENTS**

## Table of Contents

---

|   |      |
|---|------|
| 1-1 The La Habra Heights General Plan Format .....                            | 1-4  |
| 2-1 Land Use Designations and Standards (Base Land Use Designations) .....    | 2-11 |
| 3-1 Land Use Designations and Standards .....                                 | 3-9  |
| 4-1 Roadway Classification Standards .....                                    | 4-11 |
| 4-2 Level of Service Definitions .....  | 4-12 |
| 6-1 Traffic Noise Levels Along Major Arterial Roadways Serving the City ..... | 6-7  |
| 6-2 Noise Measurement Survey Results .....                                    | 6-8  |
| 6-3 Construction Equipment Noise Ranges .....                                 | 6-9  |

### EXHIBITS INCLUDED IN THE GENERAL PLAN ELEMENTS

|  |      |
|--|------|
| 1-1 Regional Location .....                        | 1-8  |
| 1-2 Physiographic Setting .....                    | 1-9  |
| 1-3 Aerial Ortho-Photograph .....                  | 1-10 |
| 2-1 Land Use Plan Designations .....               | 2-15 |
| 3-1 Resources Management Plan .....                | 3-11 |
| 4-1 Circulation Plan Roadway Types .....           | 4-15 |
| 4-2 Circulation Plan Infrastructure .....          | 4-16 |
| 5-1 Safety Plan .....                              | 5-11 |
| 6-1 Noise Associated with Typical Activities ..... | 6-11 |
| 6-2 Noise and Land Use Compatibility .....         | 6-12 |
| 6-3 Noise Contours and Receptors .....             | 6-13 |
| 7-1 Air Quality Sources and Receptors .....        | 7-5  |
